### "ENDING WELL"

<sup>7</sup> I have fought the good fight, I have finished the race, and I have remained faithful. <sup>8</sup> And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.

II Timothy 4:7-8 NLT

### *Why are we doing this?*

To lead and encourage men to honor God through regular Bible study . . . to be able to teach, train, lead, disciple and mentor other men, and especially young men, in our churches, families, and workplaces. It is the intent of this ministry to help men who have chosen to follow Christ to find their assurance of salvation and to be trained in their spiritual gifts. The saints who are ministered to through the hands of these laymen will forever be a sign of the goodness of God and of the devotion and love He has for those who love Him.

**Master of Ceremonies for this year's conference will be Clark LaForce**

**Speaker: Walt Henrichsen**

Walt Henrichsen, a graduate of Western Seminary in Holland, MI, is with Leadership Foundation, a ministry to help business and professional men integrate their commitment to Christ through their vocation. Prior to this, Walt worked with the Navigators for nearly 20 years. He has authored more than 10 books including the best-selling classic *Disciples are Made, Not Born*. He and his wife, Leette have four children. Howard Hendricks of Dallas Seminary has called Walt one of the greatest disciplers of men in the world today.

**Speaker: Barry Wood**

Barry Wood Ministries is a ministry on mission. Founded in 1978, the ministry has served to share the love of Jesus on four continents. They reach people with the Gospel through:

- Crusades
- Youth Conferences
- Parenting Conferences
- Overseas

During the Cold War, BWM provided food, medicine, clothing, and Bibles to churches in Romania, Poland, Czechoslovakia, Albania, Serbia, and Hungary. BWM has ministered to pastors, in Communist countries, providing support and discipleship.

## **Break Out Sessions:**

**Sonny Guess** - ["How God Used One Old Wild Hog to Change a Man's Life."](#)

I pushed the sausage press to one side. I looked at John and said, "When are you going to get your heart right with God?" What happened over the next 18 months was a miracle that came from a love commitment that saw set backs, victories, and ultimately a new man with God's anointing on him!

**Bob Lamkin, Marc Bellah & Bill Roberson** - ["How to Start a Discipleship Ministry Inside or Outside the Church."](#)

Some people in your church or in your community do not know how to walk with God or how to impact those around them. We will discuss practical ways for starting and running a reproductive ministry which establishes and equips believers while raising up leaders who can repeat the II Timothy 2:2 dynamic in the lives of others.

**Chuck Madden** - ["Better Next Year"](#)

"Exploring the mentality and methods of living each year better than the last."

**Steven Poggenpohl** - ["Ending Well - Will You?"](#)

"The choices we make today are our legacy...therefore we need to make wise choices. We'll examine what wise choices are. They are what God says they are."

**Ken Hibben** - ["Getting Control of Your Anger and Being at Peace"](#)

"Fundamentally, anger is a response to pain. It is a secondary emotion, always a reaction to some form of pain. In fact, you could say that anger is deflected pain. Pain comes in and our self-protective instincts put up a shield of armor and that pain is reflected back out as anger. There is always a correct way to deal with anger. We call these the ABC's of overcoming Anger. These ABC's will be shared and discussed. Because this is the way God would have us live in peace with ourselves, our families, and even to be at peace with Him."
